Pitch Sessions

The MedFIT pitch sessions offer the opportunity to detect the most innovative and promising start-ups, R&D projects, licensing opportunities and services in order to foster partnerships and business development opportunities in the MedTech, diagnostic and digital health fields.

START-UP SLAMS

The Start-up Slams are a great opportunity for **young companies** seeking to raise a financing round to showcase their project in front of potential partners and investors. The winner(s) will be awarded as the **most innovative start-up(s) in Europe**.

COLLABORATIVE AND LICENSING OPPORTUNITY PRESENTATIONS

The Collaborative and Licensing Opportunity Presentations are a great opportunity for **TTOs, universities, research institutes and companies** to showcase their technologies in front of potential partners, in order to entail a collaborative project and/or a licensing deal. The winner(s) will be awarded as the **most promising technology(ies) in Europe**.
